Modified Office Procedures Due to COVID-19 (Coronavirus)

We have instituted some changes to our practice to protect our patients and staff as much as possible.

Changes include:

- We are not using a waiting room. Please call us when you arrive downstairs and wait in your car until we call you to come up.
- **Office door is locked. To reach our staff call 239-566-7272 for instructions or assistance. Deliveries please call the same number.**
- We are limiting office entry to the patient only.
- If the patient is a child, one escort (parent) will accompany them.
- Only patients with appointments and their escort may enter. Siblings should stay home.
- If you think you have Coronavirus, DO NOT ENTER, we can't test or treat it in our office. PLEASE CALL for further assistance.

We appreciate your understanding as we strive to continue to provide the safest and most effective care we can to our patients during this very serious public health emergency.

Sincerely,

The Physicians and Staff of Women's and Children's
Physicians of Naples
